Re: **Your November 25, 2019 Inquiry**

The Division of Financial Institutions ("DFI") is in receipt of your November 25, 2019 inquiry (attached).

Based on a review of information and records pertinent to this matter, it appears that the data submitted by the DFI and uploaded onto data.hawaii.gov had not been accurately captured for the first half of FY 2019 (July 1, 2018 – December 31, 2018). We note that the same information was inadvertently reported from the FY18 Annual Log in the FY19 Semi-Annual Log. We apologize for the confusion.

Please be assured that the information that was transmitted to you on November 25, 2019 via registered e-mail is a copy of the FY 2019 Annual Log, which includes requests received by the DFI from July 1, 2018 – June 30, 2019.

Thank you.

Aloha, this log shows only seven requests for the first half of FY 19 (July to December 2018). The semiannual data posted with data.hawaii.gov for DFI indicates that the Division received 12 requests in the first half of FY 19 (including two personal requests). Is there a log that has all of the requests received in the first half of FY 19 or some explanation for the discrepancy between the posted data and this log?

Much appreciated,
Brian
