Dear Mr. Pang,

This is in response to your email dated November 17, 2017, to the Office of Information Practices (OIP). In your email, you provided two links, which OIP has been able to access, and a brief explanation regarding S APPEAL 18-01. Additionally, you requested an extension of time to respond to OIP's Notice of Appeal of Sunshine Law Complaint.

OIP grants your request for additional time to respond. Please provide the Honolulu City Council's (COUNCIL-HON) written response and an unaltered copy of the minutes for COUNCIL-HON's meetings on October 24, 2017 and November 1, 2017 to OIP by Monday, December 11, 2017. Subject: Appeal: S APPEAL 18-01

Ms. Liza Onuma Canady,

Thank you for speaking to me this morning regarding the above referenced case. I will be representing the City Council in this matter.

As we discussed, attached are the links to the video recording of the November 1, 2017 City Council meeting. Also attached is the link to the City Council Committee on Parks, Community & Customer Services meeting of October 24, 2017 meeting. The matter at issue, Resolution 17-278 was discussed at both meetings. You should be able to scroll down on the agenda to the specific item Resolution 17-278 and click on it to watch the specific portion of the video, instead of having to watch the entire meetings.

As I mentioned the matter was not of major importance as it was a gift from a person who wanted to provide seasonal lighting on a park tree, in order to honor his son. I will be providing a written response to the matter. Also, as we discussed I would like addition time to prepare the written response until December 11, 2017.

Thank you for your courtesy in this matter. Should you have any questions or unable to access the enclosed videos please feel free to contact me.
