PERMIT FOR ACCESS, COLLECTING AND RESEARCH
****Permit must be in investigators possession at all times while
on the property. ****

**PERMISSION IS GRANTED TO: William Gilmartin, Megan Rose Lamson,
Nohealani K. U. Kaawa, and Stacey Irene Breining, Hawaii Wildlife Fund;**

FOR THE FOLLOWING PURPOSE: Remove sediment from the two large pools (H-1 and H-3) at the Hoonoua pool complex, control invasive plant species, marine debris removal, and outplanting of native coastal dry forest species.

LOCATIONS(S):

Kamilo at the Hoonoua anchialine pool complex
(See Attached Map)

FOR THE PERIOD: August 15, 2017 to August 15, 2018

SPECIAL CONDITIONS:

- Hunting, open fires and littering are prohibited. This permit allows overnight camping to conduct the work.
- A member of Dofaw will be present when sediment removal operations are taking place.
- Motor vehicles shall be used only on established roadways. Vehicles shall be parked so as not to block traffic on access roads.
- All equipment, and other markers used by the permittees shall be removed at the end of the permit period.
- Permit is not transferable.
- Activities conducted under this permit will be limited to those described in the request filed with the Division of Forestry and Wildlife office on August 5, 2017.
- Please clean shoes and clothing before entering the area to keep from bringing new alien species in to the forest. The removal, injury, killing, or any unnecessary disturbance of native flora and fauna is prohibited.

- Labels must be followed when applying any chemicals.
- Copies of any and all preliminary progress reports or publications resulting from this research will be provided to the Hawaii Division of Forestry and Wildlife, Hilo Office. Preliminary progress reports are due August 15, 2018. Final report due August 15, 2019.
- Permittees must notify DOFAW of the location of any threatened or endangered plants, birds, bats, or insects encountered in the project area.

Provision of Chapters 183, 185, and 195, Hawaii Revised Statutes, 1985, as amended, and any other laws applicable thereto, and all rules and regulations of the Department of Land and Natural Resources shall be strictly observed. Infractions or misconducts will constitute grounds for revocation of this permit and criminal prosecution. Any person whose permit has been revoked shall not be eligible to apply for another permit until the expiration of two years from the date of revocation.

X The Permittee waives any and all claims he may have against the State of Hawaii and its respective officers, agents and employees, and agrees to hold harmless and indemnify the State of Hawaii and its respective officers, agents and employees, from any suits, actions and claims arising out of or in any way connected with the activities allowed under this permit.
