Aloha,

Pursuant to the public records law, I would like to request the following records in electronic format sent to my email address.

The UIPA Record Request Log(s) used by the Department to track record requests received from July 1, 2020 to June 30, 2021. I am seeking the underlying data spreadsheet(s). I would like the record provided in its original Excel format. It is not my intent that this request require effort that would necessitate fees. If this request is expected to require significant effort, please contact me because there may be a miscommunication.

Mahalo,
