Any other thoughts you'd like to share?

Hawai'i County would like to send a BIG MAHALO to the CTCL Organization and its Team who helped provide these critical funds for better administering safe, secure and inclusive elections! These funds helped bolster, and will continue to help grow, many initiatives with administering Hawai'i's vote-by-mail elections.

Our grateful team is proud to say that these funds had a positive impact in making the 2020 elections successful. More people voted in Hawai'i County's 2020 General Election than ever before, with voter turnout being 18% greater than 2018's General Election numbers.

Again, Thank You all for the generosity and support in making our nation's elections more safe, secure, and inclusive.
