Hi Randy. As I understand it this meeting is in the process of getting set up with Bruce Anderson and our deputy AG Bill Wynhoff. They will keep me informed on it. Best wishes, Suzanne

Aloha Suzanne,  
I hope all is well.

I was wondering if you had time to meet with a few “tropical Fish people” either 12/20(afternoon) or 12/21 **anytime** .

It would involve Jim Lynch ,our lawyer, and Bob Likins, PIJAC vice president, and a few other fishers-including myself.

We would be discussing our EIS and its development and a few other topics  
Please let me know if it is possible.

Many Thanx,

Randy Fernley / Coral Fish
