" -President Lincoln

1. For the people" refers to protecting our unalienable rights granted by god. Upholding the laws of the constitution in our best interest.
2. Of the people refers to the government's composition. It's referring to the fact that the government is made up of people who come from the people.
3. By the people refers to who chooses those people who make up the government.

Essentially, it's saying that it's a government comprised of common people who were chosen by common people It's essentially pointing to the fact that there is no nobility, no aristocracy, no house of lords, and no king. There is no special class ruling the country that is set apart from common people. As

STATEMENT ON BEHALF OF WE THE PEOPLE FOR THE PEOPLE TO THE PEOPLE GOD HAS DELEGATED HIS WILL TO.

Homelessness is something that many people witness but very few are willing to talk about let alone care about. Waikiki Stabilization Center tackled the ability to realize how it really is to become homeless. . In truth, homelessness is a perpetual shame of humanity. Unfortunately, not a lot of people realize this. The common notion is that homelessness is somewhat a choice. That the homeless deserve what they are going through because they didn't study hard or look for a job. But no, it isn't like that at all We think sometimes that poverty is only being hungry, naked, and homeless. The poverty of being unwanted, unloved, and uncared for is the greatest poverty. at Waikiki beach side every staff member has given a remedy for this kind of poverty.. Knowing they all have come from similar backgrounds as us but yet strong enough to sacrifice your emotional capacity that's been destroyed tainted or affected due to numerous crises from different groups in the past and present to provide us stability speaks volumes... we the people thank them for Gathering your last strength, and responding to our frantic wave for help. It takes a society to combat homelessness, and the strong staff was is a start to fighting poverty – they all

have shown compassion and empathy not only to those they could trust If they did then, society would be burying homeless people every day. Their love shows us kindness and have made us homeless Individuals believe that a our souls are needed more than just four walls and a ceiling. It's been a humbling experience and we thank them from the bottom of our hearts. -Waila Leolani Sarcedo on behalf Of WE THE PEOPLE OF HAWAIIAN KINGDOM
