Neal,

Item D-5, Watershed Protection and Initiatives, Statewide, from Act 88, SLH 2021, as amended by Act 248, SLH 2022, is currently used by DLNR to install fencing on private land for watershed protection. The appropriation already has a public purpose statement though.

D-5. WATERSHED PROTECTION AND INITIATIVES, STATEWIDE

PLANS AND CONSTRUCTION TO PROTECT AND RESTORE FORESTED WATERSHEDS AND OTHER WATER SUPPLIES, STATEWIDE; ALL PROJECT RELATED COSTS. THIS PROJECT WILL IMPLEMENT A SUSTAINABLE HAWAII INITIATIVE GOAL TO PROTECT 30% OF PRIORITY WATERSHED FORESTS BY 2030. THE LEGISLATURE FINDS AND DECLARES THAT THE APPROPRIATION IS IN THE PUBLIC INTEREST AND FOR THE PUBLIC'S HEALTH, SAFETY AND GENERAL WELFARE OF THE STATE.

I was wondering if maybe DOT also might have projects that could be affected?

Thanks,

Sharon

Yes but SB 300 excludes Chapter 42F grants, so this is above and beyond. I asked Ryan for information on the DLNR fencing projects on private land

Howdy,

Don't all 42F grants fit this criteria?

See question below. I am going to mention to Sabrina about SB300.

Neal,

Do you have an example of previous appropriations for a private entity that serves a public purpose, so we can show Sen Richards?

Thanks,
Sabrina

--- Best to tag Sharon, Morris, and Sabrina.

Aloha Luis,

We've had discussions with Senator Richards about support for a CIP project for Kohala Ditch.

Please add 10M CIP (C or A) to AGR's budget request for Repairs for Kohala Ditch. We will be receiving more information in the coming days but we want to make sure we don't miss this.

This project would repair a broken water irrigation system to supply water to Halaula, Kapa'au and Hawi.

Thank you,
