Although you are not required to provide any personal information, you should provide enough information to allow the agency to contact you about this request. The processing of this request may be stopped if the agency is unable to contact you. Therefore, please provide any information that will allow the agency to contact you (name or alias, telephone or fax number, mailing address, e-mail address, etc.).

I WOULD LIKE THE FOLLOWING GOVERNMENT RECORD:

Describe the government record as specifically as possible so that it can be located. Try to provide a record name, subject matter, date, location, purpose, or names of persons to whom the record refers, or other information that could help the agency identify the record. A complete and accurate description of the government record you request will prevent delays in locating the record. Attach a second page if needed.

I would like any police narratives prepared for police report no. C15009958. I previously requested all records, but only received 4 pages, each an Incident Data Sheet Report. The reason for this request is to further a personal injury investigation on behalf of my client, William Gostowski, the reporting party. Specifically, I am trying to obtain any witness statements the investigating officer, Tyler Jelsma, recorded so that I can corroborate my client's story.

I WOULD LIKE: (please check one or more of the options below)

- To inspect the government record.**
- A copy of the government record:** (Please check one of the options below.) See the back of this page for information about fees that you may be required to pay for agency services to process your record request. Note: Copying and transmission charges may also apply to certain options.
