Response:

Your request is denied as any responsive documents would it falls into a category of documents exempt from disclosure under HRS § 92F-13(3) (i.e. "Government records that, by their nature, must be confidential in order for the government to avoid the frustration of a legitimate government function").

Elections have been designated "critical infrastructure" by the federal government. The critical structure designation entails "systems and assets, whether physical or virtual, so vital to the United States that the

incapacity or destruction of such systems and assets would have a debilitating impact on security, national economic security, national public health or safety, or any combination of those matters.” 42 USC § 5195c(e).

In general, in order to safeguard information on critical infrastructure, the state’s practice is to not disclose IT security methodology, activities and data, including equipment and software employed and remediation actions, if any, because doing so could advertise vulnerabilities, promote phishing, and/or expose or impede investigation activities. The present records request seeks information concerning access to the statewide voter registration system. Such information could be used by a bad actor to attempt to discover or exploit vulnerabilities in our statewide voter registration system.

Additionally, HRS § 92F-11(c) provides that “[u]nless the information is readily retrievable by the agency in the form in which it is requested, an agency shall not be required to prepare a compilation or summary of its records.”

REQUESTER’S RESPONSIBILITIES:

You are required to (1) pay any lawful fees and costs assessed; (2) make any necessary arrangements with the agency to inspect, copy or receive copies as instructed below; and (3) provide the agency any additional information requested. **For questions about this notice or the records being sought, please ask the agency’s contact person named at the top of this form.** Also, please submit your payment, if any, to the agency at the address listed at the top of this form. **DO NOT SEND YOUR PAYMENT** to the Office of Information Practices (OIP) unless you are requesting records directly from OIP.

If you do not comply with the requirements set forth in this notice within 20 business days after the postmark date of this notice or the date the agency makes the records available, you will be presumed to have abandoned your request and the agency shall have no further duty to process your request. Once the agency begins to process your request, you may be liable for any fees and costs incurred. If you wish to cancel or modify your request, you must advise the agency upon receipt of this notice.

Please note that the Office of Information Practices (OIP) does not maintain the records of other agencies, and a requester must seek records directly from the agency it believes maintains the records. If the agency denies or fails to respond to your written request for records or if you have other questions regarding compliance with the UIPA, then you may contact OIP at (808) 586-1400, oip@hawaii.gov, or 250 South Hotel Street, Suite 107, Honolulu, Hawaii, 96813.

☐ Receipt of each incremental prepayment, if prepayment for each increment is required.

Records will be disclosed in increments because the records are voluminous and the following extenuating circumstances exist:

☐ A natural disaster or other situation beyond agency's control prevents agency from responding to the request within 10 business days.
