

ACKNOWLEDGMENT TO REQUESTER

TO: Connor Arakaki
FROM: Department of Human Services, dhs@dhs.hawaii.gov
(Agency and name & email address)

DATE REQUEST RECEIVED: 12/3/25

DATE OF ACKNOWLEDGEMENT: 12/4/25

GOVERNMENT RECORDS YOU REQUESTED: (attach copy of request or provide brief description below)

1. See attached.

2.

3.

This acknowledgment is provided in accordance with section 2-71-13, Hawaii Administrative Rules ("HAR"), because the following extenuating circumstance(s) exist:

- ☐ Agency must consult with another person to determine whether the record is exempt from disclosure under chapter 92F, HRS.
- ☒ Request requires extensive agency efforts to search, review, or segregate the records, or otherwise prepare the records for inspection or copying.
- ☐ Agency requires additional time to respond to the request in order to avoid an unreasonable interference with its other statutory duties and functions.
- ☐ A natural disaster or other situation beyond the agency's control prevents the agency from sending a notice or responding to the request within ten business days.

Due to these extenuating circumstances, the agency will send you the written notice required by section 2-71-14, HAR, within a reasonable time not to exceed twenty business days following the date when the agency received your request. Among other things, this notice will inform you whether the agency intends (1) to disclose the record; (2) to deny access to all or part of the information in the requested record, identifying the portions that will not be disclosed and justifying the nondisclosure; or (3) that the agency is unable to disclose the record for the reasons given. The notice will also include the agency's good faith estimate of all fees that will be charged to the requester under section 2-71-19, HAR and the amount of prepayment required by the agency, if any.

If the agency is providing access to records, the agency will then:

- (1) Disclose the requested records within five business days after providing notice or, when applicable, after receiving a prepayment as provided for under section 2-71-19, HAR;
- or
- (2) Disclose the requested records in increments because the requested records are voluminous. See HAR § 2-71-15. Each increment will be disclosed within twenty business days after either (A) the prior incremental disclosure (if one prepayment of fees is required and received) or (B) receipt of each incremental prepayment required.

For questions about this acknowledgment, please contact the agency through the email address above. Questions regarding compliance with the UIPA may be directed to the Office of Information Practices at 808-586-1400 or oip@hawaii.gov.

REQUEST TO ACCESS A GOVERNMENT RECORD

This is a model form that may be used by a Requester to provide sufficient information for an agency to process a record request. Although the Requester is not required to use this form or to provide any personal information, the agency needs enough information to contact the Requester with questions about this request or to provide its response. This request may not be processed if the agency has insufficient information or is unable to contact the Requester.

AS THE REQUESTER, I WOULD LIKE THE FOLLOWING GOVERNMENT RECORD:

Describe the government record as specifically as possible so that it can be located. Try to provide a record name, subject matter, date, location, purpose, or names of persons to whom the record refers, or other information that could help the agency identify the record. A complete and accurate description of the requested government record will prevent delays in locating the record. Attach additional pages if needed.

Under UIPA, I request aggregated, de-identified CWS data for 2015–2024, including:

Number of reports classified as “runaway,” “endangered runaway,” “suspected trafficking,” “confirmed trafficking,” by year and county. In addition I want the recorded race/ethnicity of child (aggregate only),

referral pathway counts (e.g., referred to HPD, AG, MCCH, no referral), any intake screening forms and trafficking indicators (all versions 2015–present), and case disposition outcomes (aggregate only): No action, case opened, services provided, placement, law enforcement referral.

I'm seeking a waiver because this is for the organization the Yale Investigative Reporting Lab and will help me produce an article for public interest.

(See waiver information on next page).

FEES FOR PROCESSING PUBLIC RECORD REQUESTS

You may be charged fees for the services that the agency must perform when processing your request for public records, including fees for making photocopies and other lawful fees. **The first \$30 of fees charged for searching for a record, reviewing, and segregating will not be charged to you. Any amount over \$30 will be charged to you.** Fees are as follows:

Search for a Record	\$2.50 for 15 minutes
Review and Segregation of a Record	\$5.00 for 15 minutes

Generally, no search, review, and segregation fees may be charged if you are making a request for personal records that are about you.

WAIVER OF FEES IN THE PUBLIC INTEREST

As an alternative to the \$30 fee waiver (not in addition to), the agency may waive the first \$60 of fees for searching for, reviewing and segregating records when the waiver would serve the public interest. If you wish to apply for a waiver of fees in the public interest, you must attach to this request a statement of facts, including your identity as the requester, to show how the waiver of fees would serve the public interest. The criteria for this waiver, found at section 2-71-32, Hawaii Administrative Rules, are

- (1) The requested record pertains to the operations or activities of an agency;
- (2) The record is not readily available in the public domain; and
- (3) The requester has the primary intention and the actual ability to widely disseminate information from the government record to the public at large.

COSTS

The Agency may charge you any other lawful fees and the costs to copy and deliver your personal or public record request.

AGENCY RESPONSE TO YOUR REQUEST FOR ACCESS

The agency to which you addressed your request must respond within a set time period. The agency will normally respond to you within 10 business days from the date it receives your request; however, in ***extenuating***

circumstances, the agency must respond within 20 business days from the date of your request. If you have questions about the response time or the records being sought, you should first contact the agency and request to consult with the agency's UIPA contact person.

Please note that the Office of Information Practices (OIP) does not maintain the records of other agencies and a requester must seek records directly from the agency. If the agency denies or fails to respond to your written request for records or if you have other questions regarding compliance with the UIPA, then you may contact OIP at 808-586-1400, oip@hawaii.gov, or 250 South Hotel Street, Suite 107, Honolulu, Hawaii 96813.

REQUESTER'S RESPONSIBILITIES

You have certain responsibilities under section 2-71-16, Hawaii Administrative Rules, which include making arrangements to inspect and copy records, providing further clarification or description of the requested record as instructed by the agency's notice, and making a prepayment of fees and costs, if assessed. The rules and additional training materials are available online at oip.hawaii.gov or from OIP.
