Re: 92F Request Related to Copies of Final Reports that Pas De Chocolat
Completed

Dear Ms. Cocke:

This supplements the Department of Public Safety's response to your 92F Request dated May 14, 2019, relating to the Final Reports the Pas De Chocolat ("PDC") completed. As you already know based on our previous disclosure, the PDC completed two reports: a 2015 report titled "Re-envisioning Data Infrastructure, Research Findings Reports" and a 2019 report titled "Re-envisioning Data Infrastructure, Recommendations and Requirements."

We have uploaded onto the Department of Public Safety's website the 2019 PDC Report, with redactions. Please note that pages 15, 21, 27, and 113 of the 2019 Reports are not redactions but blank divider pages. We will also be posting the 2015 Report sometime next week. The website address that will direct you to the requested reports is <http://dps.hawaii.gov/publications>.

The redactions are based on Section 92F-13(3): Government records that, by their nature, must be confidential in order for the government to avoid the frustration of a legitimate government function.

We hope that this will satisfy your request as well as keep the operation of the Department of Public Safety secure.

Sincerely,

Maria C. Cook
Deputy Director for Administration
