

REQUEST TO ACCESS A GOVERNMENT RECORD

This is a model form that may be used by a Requester to provide sufficient information for an agency to process a record request. Although the Requester is not required to use this form or to provide any personal information, the agency needs enough information to contact the Requester with questions about this request or to provide its response. This request may not be processed if the agency has insufficient information or is unable to contact the Requester.

AS THE REQUESTER, I WOULD LIKE THE FOLLOWING GOVERNMENT RECORD:

Describe the government record as specifically as possible so that it can be located. Try to provide a record name, subject matter, date, location, purpose, or names of persons to whom the record refers, or other information that could help the agency identify the record. A complete and accurate description of the requested government record will prevent delays in locating the record. Attach additional pages if needed.

Records and materials related to the solicitation, acquisition, and use of face recognition technology and related software and services, especially those utilized in the Hawaii Criminal Justice Data Center's facial recognition technology system.

This software or services may be provided by Rekognition, Face++, and FaceFirst; this request is applicable to these and any other company providing facial recognition services under consideration or contract with this agency.

Responsive materials include but are not limited to:

- Agreements: contracts (including non-disclosure agreements), licensing agreements, nondisclosure agreements
- Bid records: Requests For Proposal (or equivalent calls for bids), sole source or limited source justification and approval documentation, documentation of selection, and other materials generated in the consideration and selection of the technology in question

- Company relations and communications: records related to meetings or follow-up actions with any vendors, companies, or other private entities marketing face recognition to this agency for immigration, intelligence, law enforcement, or other use.
- Financial records: purchase orders, invoices, and other memoranda and documentation.
- Marketing records: All marketing materials - unsolicited, requested, or otherwise - acquired from vendors of face recognition technology
- Policy records: any policy directives, guidance documents, memoranda, training materials, or similar records governing the use of face recognition technology for immigration, law enforcement, or other purposes. Any memoranda of understanding between this agency and other agencies to share data, access remote systems or other forms of information sharing with external agencies.
- Training records: training material governing the use, sharing, or access to any related data related to or collected by the face recognition software/technology, including the legal standard that is required before using the technology. Documents, should they exist, about training for bias in the use of facial recognition technology.
- Use and function records: Materials that describe the function of the software considered or in use by this agency, including emails, handouts, PowerPoint presentations, advertisements, or specification documents.
- Validation and accuracy: Records, reports, audits, and other documents sufficient to describe validation, accuracy, reliability, and policy compliance of the system.

Please limit the search to records produced from January 1, 2017 – present. Please include in your search as responsive records: communications, memorandums, background papers, meeting minutes, email exchanges, or presentation materials.

The requested documents will be made available to the general public, and this request is not being made for commercial purposes.

In the event that there are fees, I would be grateful if you would inform me of the total charges in advance of fulfilling my request. I would prefer the request filled electronically, by e-mail attachment if available or CD-ROM if not.

FEES FOR PROCESSING PUBLIC RECORD REQUESTS

You may be charged fees for the services that the agency must perform when processing your request for public records, including fees for making photocopies and other lawful fees. **The first \$30 of fees charged for searching for a record, reviewing, and segregating will not be charged to you. Any amount over \$30 will be charged to you.** Fees are as follows:

Search for a Record	\$2.50 for 15 minutes
Review and Segregation of a Record	\$5.00 for 15 minutes

Generally, no search, review, and segregation fees may be charged if you are making a request for personal records that are about you.

WAIVER OF FEES IN THE PUBLIC INTEREST

As an alternative to the \$30 fee waiver (not in addition to), the agency may waive the first \$60 of fees for searching for, reviewing and segregating records when the waiver would serve the public interest. If you wish to apply for a waiver of fees in the public interest, you must attach to this request a statement of facts, including your identity as the requester, to show how the waiver of fees would serve the public interest. The criteria for this waiver, found at section 2-71-32, Hawaii Administrative Rules, are

- (1) The requested record pertains to the operations or activities of an agency;
- (2) The record is not readily available in the public domain; and
- (3) The requester has the primary intention and the actual ability to widely disseminate information from the government record to the public at large.

COSTS

The Agency may charge you any other lawful fees and the costs to copy and deliver your personal or public record request.

AGENCY RESPONSE TO YOUR REQUEST FOR ACCESS

The agency to which you addressed your request must respond within a set time period. The agency will normally respond to you within 10 business days from the date it receives your request; however, in ***extenuating circumstances***, the agency must respond within 20 business days from the date of your request. If you have questions about the response time or the records being sought, you should first contact the agency and request to consult with the agency's UIPA contact person.

Please note that the Office of Information Practices (OIP) does not maintain the records of other agencies and a requester must seek records directly from the agency. If the agency denies or fails to respond to your written request for records or if you have other questions regarding compliance with the UIPA, then you may contact OIP at 808-586-1400, qip@hawaii.gov, or 250 South Hotel Street, Suite 107, Honolulu, Hawaii 96813.

REQUESTER'S RESPONSIBILITIES

You have certain responsibilities under section 2-71-16, Hawaii Administrative Rules, which include making arrangements to inspect and copy records, providing further clarification or description of the requested record as instructed by the agency's notice, and making a prepayment of fees and costs, if assessed. The rules and additional training materials are available online at qip.hawaii.gov or from OIP.
